PERSONAL AND CONFIDENTIAL

Dear Howard:

This hopefully will conclude our correspondence and material for your files with reference to David C. Fenton, recently registered as Scoutmaster of Troop 95, Tipton, Missouri and also registered as an Explorer Advisor of Post 95, Warrensburg, Missouri, a member of the Kansas City Area Council, Kansas City, Missouri.

My previous letter indicated that Fenton had been accused and with verification by parents of boys of immoral acts with the Scouts. Unfortunately, they are most reluctant to be heard or to extend in writing the details of the acts that Mr. Fenton performed. However, in visiting with the Chairman of the Troop Committee, the following was described to me and was reported to him by the parents of one Scout following the act performed by Mr. Fenton.

"On a recent camping trip, Scoutmaster Fenton camped away from the Troop with one Scout in his tent. During the hours following retiring and before sleep Scoutmaster Fenton had the Scout lay on his stomach with Mr. Fenton laying on him and entered the body of the Scout through the rectum and commenced to perform the sex act. Following the camp out the Scout reported to his mother that he was extremely ill and under questioning, reported to his mother that he was going to have a baby because of the act Scoutmaster Fenton performed. This was reported to the Troop Committee Chairman and then to the Council office.

I hope the above information is sufficient, however, if not I will try to do what I can to provide the necessary information for your files.

Sincerely,

Robert M. Mills
